

FOR IMMEDIATE INTERNSHIP PLACEMENT: Community Revitalization Partnership (CRP) is seeking dynamic undergraduate or graduate social work/mental health/school counseling students who are interested in providing individual and group counseling for students enrolled in both Primary (grades K-5) and Secondary (grades 6-12) education settings.

- This is a non-paid internship

ABOUT CRP: Community Revitalization Partnership (CRP) is a not-for-profit organization founded to create safe and inspirational spaces for youth and their families to live, work, play and THRIVE. CRP provides counseling, spearheads neighborhood initiatives and runs youth programs to foster economic and personal growth for youth and families.

Website: www.crppartnership.org

INTERNSHIP OVERVIEW: Intern will deliver counseling services to students primarily in their after school program and sometimes during school within their educational setting. Counseling strategies are delivered to improve social and emotional functioning in the areas of appropriate school behavior, discipline, self-esteem, control, conflict resolution, social skills, appropriate engagement with adults and peers, self-esteem and coping skills. Services that are delivered benefit children in all areas of their lives.

Intern Responsibilities:

- Complete weekly individual and group counseling sessions
- Write progress notes to document each session (weekly)
- Meet with parents to create behavioral plans that would support continuity and skill development in class and at home.

Benefits:

- **Valuable experience working in a dynamic, diverse, and creative environment**
- **Excellent supervision, professional and career mentorship**
- **Opportunity for teacher observation and student teaching**
- **Opportunity to build professional network and obtain recommendation letters**
- **Opportunity to make a difference in the lives of students from underserved backgrounds**
- **Personalized recommendation and reference letters**
